Ca'n Beneït

ICONIC RETREAT

— THE VILLA —

EN

A RETREAT IN THE MOUNTAINS… WITH A SOUL OF ITS OWN.

Your very own private hideaway, embraced by the Tramuntana, bathed in its own infinity pool—where intimacy expands, time slows down, and every detail speaks Ca'n Beneït's language: refined, quiet, and personal.

YOUR OWN, PRIVATE REFUGE

Just 30 metres from the main building, the Villa is an exclusive 500 m^2 space for guests who wish to experience the estate at its most intimate, while enjoying the privacy of a home and the distinctive character of Ca'n Beneït.

The Villa features a private entrance, three double bedrooms, three full bathrooms, an open kitchen with a central island, dining area, living room with reading nook and direct access to the outdoors from several spaces. Bathed in natural light and surrounded by calm, it's designed for six guests who value space, tranquillity and character.

WITHIN THE ESTATE

The Villa stands a little apart from the main house, a short garden path away from reception, Mirabona and The Garden Spa. Close enough to feel part of Ca'n Beneït, far enough to keep your own pace, your own pool and your own quiet.
