

THE HALCYON

PRIVATE ISLES ~ MALDIVES

AUTOGRAPH COLLECTION®
HOTELS

The Spirit of Discovery. The Soul of the Maldives.

Our origin & Our Story

H.C.P. Bell British archaeologist and Ceylon's first Archaeological Commissioner sailed a royal schooner through these very waters, charting the southern atolls and revealing hidden histories.

He called them restoratives: waters that bring you back to yourself. That word sits at the heart of who we are.

Inspired by his voyages, The Halcyon Private Isles Maldives invites you to rediscover the romance of exploration a quiet return to a more graceful way of journeying. Set within the untouched Gaafu Alifu Atoll, each private isle unfolds slowly between sea and sky, past and present.

Not an escape. A return.

halcyon

/halsien/

A PERIOD OF TIME IN THE PAST THAT WAS IDYLLICALLY
PEACEFUL AND HAPPY.
THAT IS THE FEELING WE ARE HERE TO CREATE.

BRAND PROMISE

Spirit of discovery.
Soul of the Maldives.

Two halves. Wonder, and place. Never split. Never paraphrased.

The promise, in plain words

When guests come to us, time slows down. They notice things. They feel taken care of without being managed. They leave restored not entertained.

The first half spirit of discovery is the wonder: the curiosity to chart your own horizon, to uncover a reef, a story, a stretch of beach no one has walked today. The second half soul of the Maldives is the place: the reefs, the turtles, the Boduberu welcome, the Maldivian voice woven through every encounter. The two are inseparable, and the tagline is always used whole.

Our Location

Tucked away in the pristine Gaafu Alifu Atoll of the southern Maldives, The Halcyon Private Isles is a rare sanctuary of untouched wilderness — far from the bustle of busier atolls, where solitude and natural beauty reign supreme.

Here, closer to the equator than almost anywhere else in the Maldives, the ocean stretches endlessly in every direction, the reefs teem with vibrant marine life, and the unhurried rhythm of island living invites you to slow down, breathe deeply, and rediscover the art of true escape.

Begin your adventure with a thrilling journey, soaring through the skies from Malé to our Gaafu Alifu Atoll. Beneath you there are hundreds of beautiful islands, scattered like emeralds. We can arrange this unforgettable experience that takes you across several atolls, finally to land on liquid silk at The Halcyon.

Take a 55-minute domestic flight from Malé to Kaadedhdhoo Airport, followed by a short 15-minute speedboat transfer to the island.

Alternatively, arrive in style aboard a scenic 90-minute seaplane journey direct from Malé, soaring above the turquoise atolls of the Indian Ocean.
