# EXCURSIONES

Accede únicamente por barco a las **“Cuevas Azules”** o **“Blue Caves”**, espectaculares cuevas marinas donde el blanco de las rocas calizas contrasta con el azul turquesa del las aguas.

Explorar el islote **Agios Nikolaos**, en la entrad del puerto de **Gaios**, que servía a los habitantes de Gaios en el s.xv para protegerse de los piratas.

El **Arco de Tripitos** es una maravilla natural formada por el derrumbe de una cueva marina. La formación rocosa de 20 metros conecta con la isla a través de un pequeño ‘puente’.

Visitar sus tres Villas principales, **Gaios, Loggos y Lakka**, y sus muchas playas y bahías.

### **MUSEO DE PAXOS**

Ubicado en un edificio de la escuela primaria de principios de 1900. Las exhibiciones ofrecen una cronología pequeña pero atractiva de la habitación humana en Paxos

### **IGLESIAS EN PAXOS**

### **ANTIPAXOS VOTUMI BEACH**

### **CORFÚ**

A scenic view of a coastline. The sea is a deep blue, and the sky is a clear, light blue. On the right, a steep cliffside is covered in lush green trees and vegetation. The cliff face is light-colored, possibly limestone, and shows some signs of erosion. In the foreground, there are more green trees, some of which are in sharp focus. The overall atmosphere is bright and clear.
