

EL NIDO

RESORTS

EXPERIENCE THE TRANSFORMATIVE
JOY OF ISLAND LIVING

An aerial photograph of a tropical coastline featuring dramatic limestone cliffs and clear turquoise water. The cliffs are covered in lush green vegetation and drop sharply into the sea. The water transitions from a deep blue to a vibrant turquoise near the shore, revealing a sandy beach and coral reefs. In the background, more islands and mountains are visible under a blue sky with scattered clouds.

EL NIDO

RESORTS

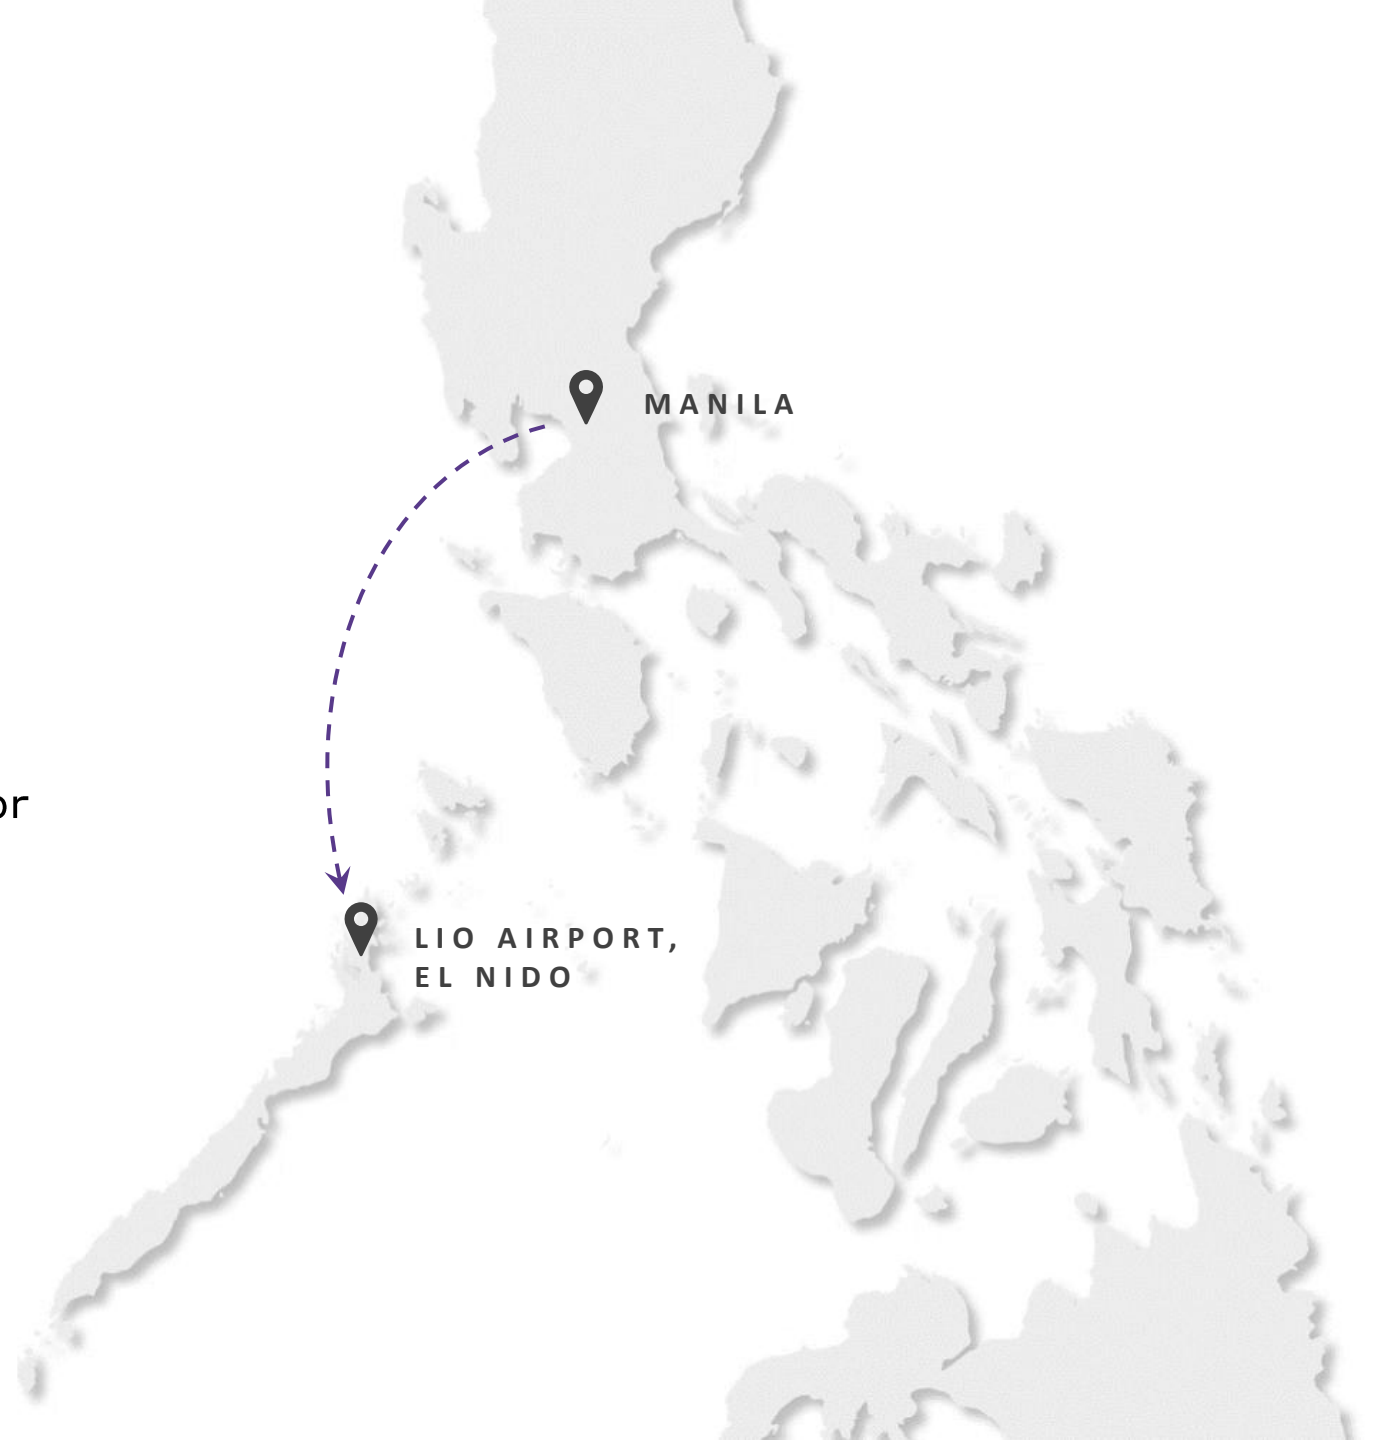

El Nido-Taytay Managed Resource Protected Area covers over 36,000 hectares of land and 54,000 hectares of marine waters. It contains towering limestone cliffs, beaches, mangroves, clear waters, unique forests over limestone and neat farmlands.

- Commercial flight via Cebu Pacific

Land and boat transfers from Lio Airport to your El Nido Resort of choice

An aerial photograph of a tropical island at dusk. The island is covered in dense green forest and has a small resort with several buildings and palm trees along its shoreline. The water is a vibrant turquoise color, and the sky is a deep blue with some clouds. The text "welcome to your luxury getaway" is written in a white, cursive font across the middle of the image.

welcome to your luxury getaway

PANGULASIAN
EL NIDO

The Island of The Sun

Pangulasian is an exclusive hideaway of powdery white sand, lush forest, and crystalline waters, offering front-row views of both sunrise and sunset.

The island offers a unique eco-luxury experience spanning across its 42 finely crafted villas.

CANOPY VILLA

8 Canopy Villas • 89sqm

Perched 15–18 meters high, the Canopy Villas offer the most expansive views of Pangulasian's lush forest and are accessible via buggy or a scenic boardwalk. Each villa features a king bed, day bed, shower and bath; suited for 2 adults and 2 children.

A woman is sitting on a white lounge chair on a wooden deck, reading a magazine. The deck is covered by a thatched roof and has a dark metal railing. In the background, there is a tropical beach with palm trees, a white umbrella, and a person lying on a lounge chair. The ocean and a green hill are visible in the distance.

BEACH VILLA

24 Beach Villas • 86sqm

Just steps from Pangulasian's powder-soft shore and moments from the resort's vibrant center for activities, the Beach Villas offer breezy luxury and prime access to the infinity pool, beach bar, and grill. Each villa welcomes 3 adults or a family of 4 with 2 adults, 2 children (12 years old and below)

An aerial photograph of a Pool Villa nestled in a dense tropical forest. The villa features a traditional thatched roof and large glass windows. A private swimming pool is situated in front of the villa, with a wooden deck and outdoor furniture. The villa is surrounded by lush greenery and tall palm trees.

POOL VILLA

6 Pool Villas • 86sqm

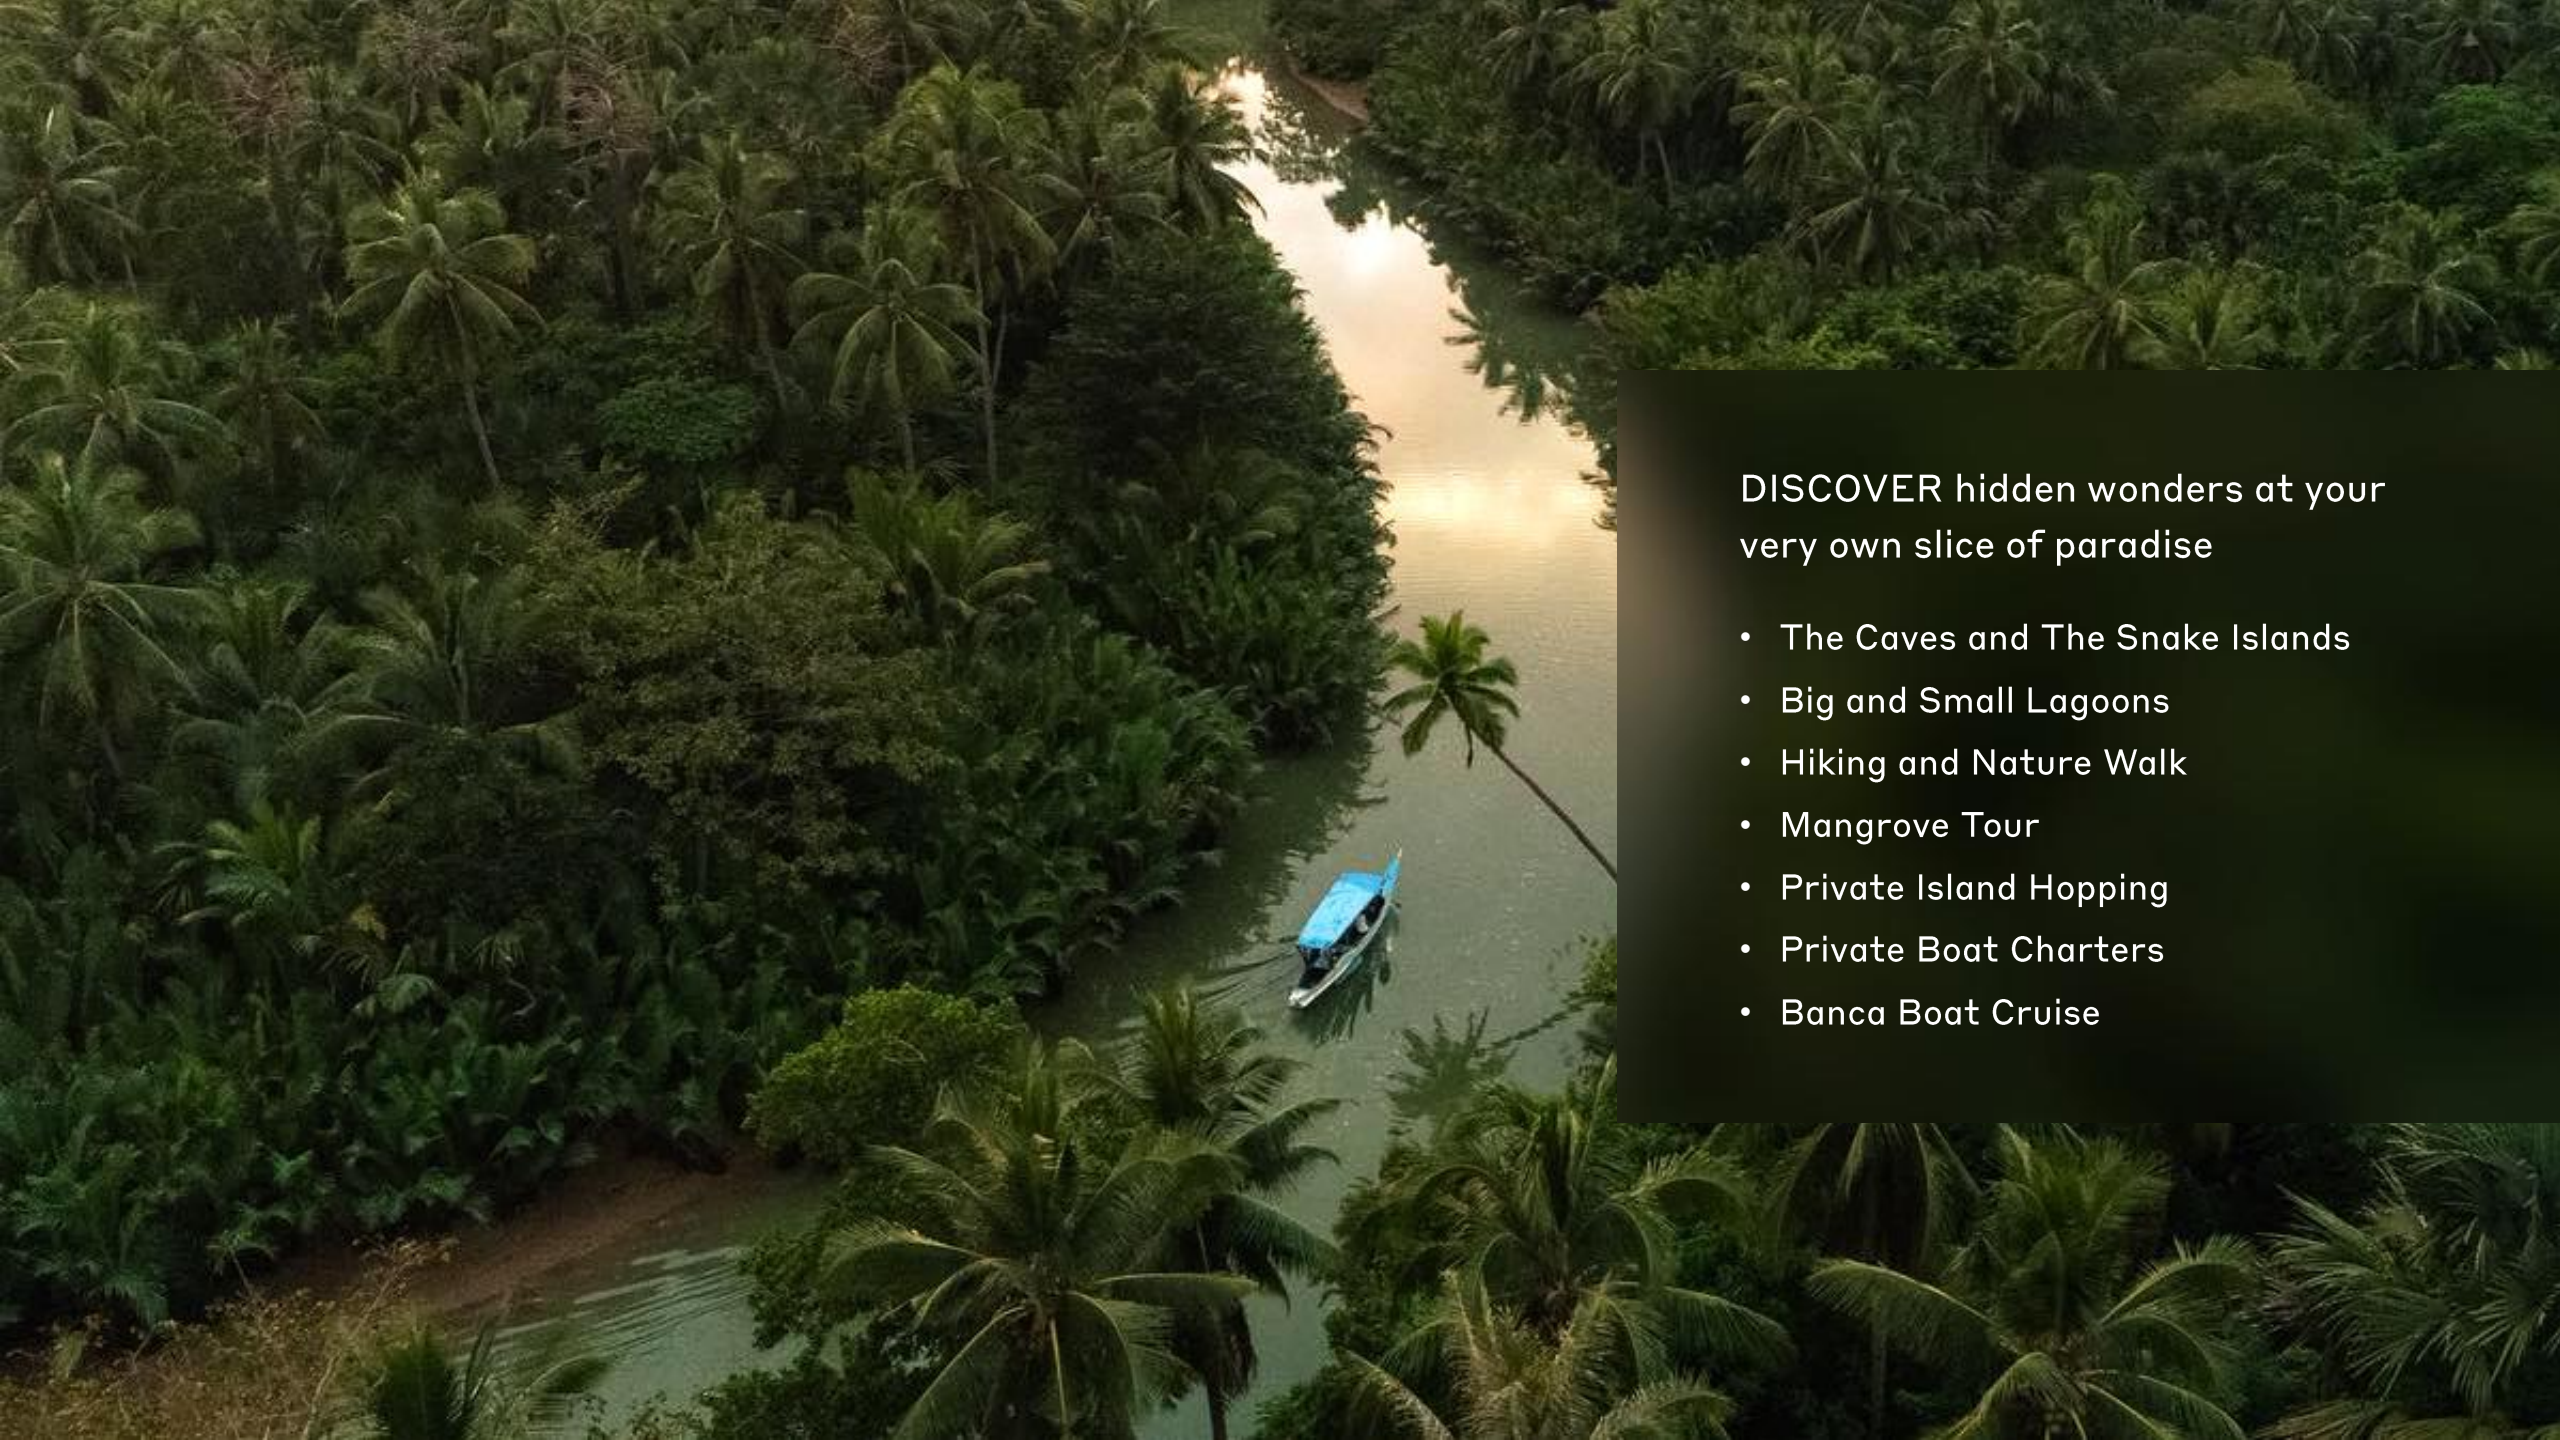

Tucked in a tranquil corner of the island, each Pool Villa features a 22-sqm private pool that flows from your balcony, framing serene views of picturesque Bacuit Bay. Unwind to the rhythm of the waves in your own secluded sanctuary. Each villa welcomes 3 adults or a family of 4 with 2 adults, 2 children (12 years old and below).

A scenic view of a tropical island. In the foreground, a dense green forest covers a hillside. A wooden treehouse with a glass railing sits among the trees, with two people standing on it. In the background, a calm body of water is surrounded by steep, rocky cliffs and several small, isolated islands. The sky is a soft, hazy blue.

SUSTAINABILITY begins with the community

- **Cultural Preservation**

We preserve and celebrate local culture and traditions through the 90 local hire practice, and a showcase of Cuyunon culture and products.

- **Ecosystem Restoration**

We organize projects that restore and protect local ecosystems, such as mangrove protection, coral reef monitoring, declaration of recreation-only sites.

- **Creating Shared Value**

El Nido Resorts supports local business and advocates for local purchasing, provides training and employment opportunities, and contributes community infrastructure.

An underwater photograph with a deep blue color palette. In the center, a large, craggy rock formation rises from the seabed. To the right of the rock, two divers are visible in silhouette, swimming horizontally. The water is clear, with some light rays visible near the surface. The overall mood is serene and adventurous.
