Sailing from both Soneva Fushi and Soneva Jani, voyages range from a half-day or full-day Soneva in Aqua cruise to live-aboard adventures around the Maldives archipelago. Each bespoke charter is tailored to your needs, whether you want to explore the best surf breaks or dive spots, drop anchor at deserted islands, or simply sail towards the sunset.

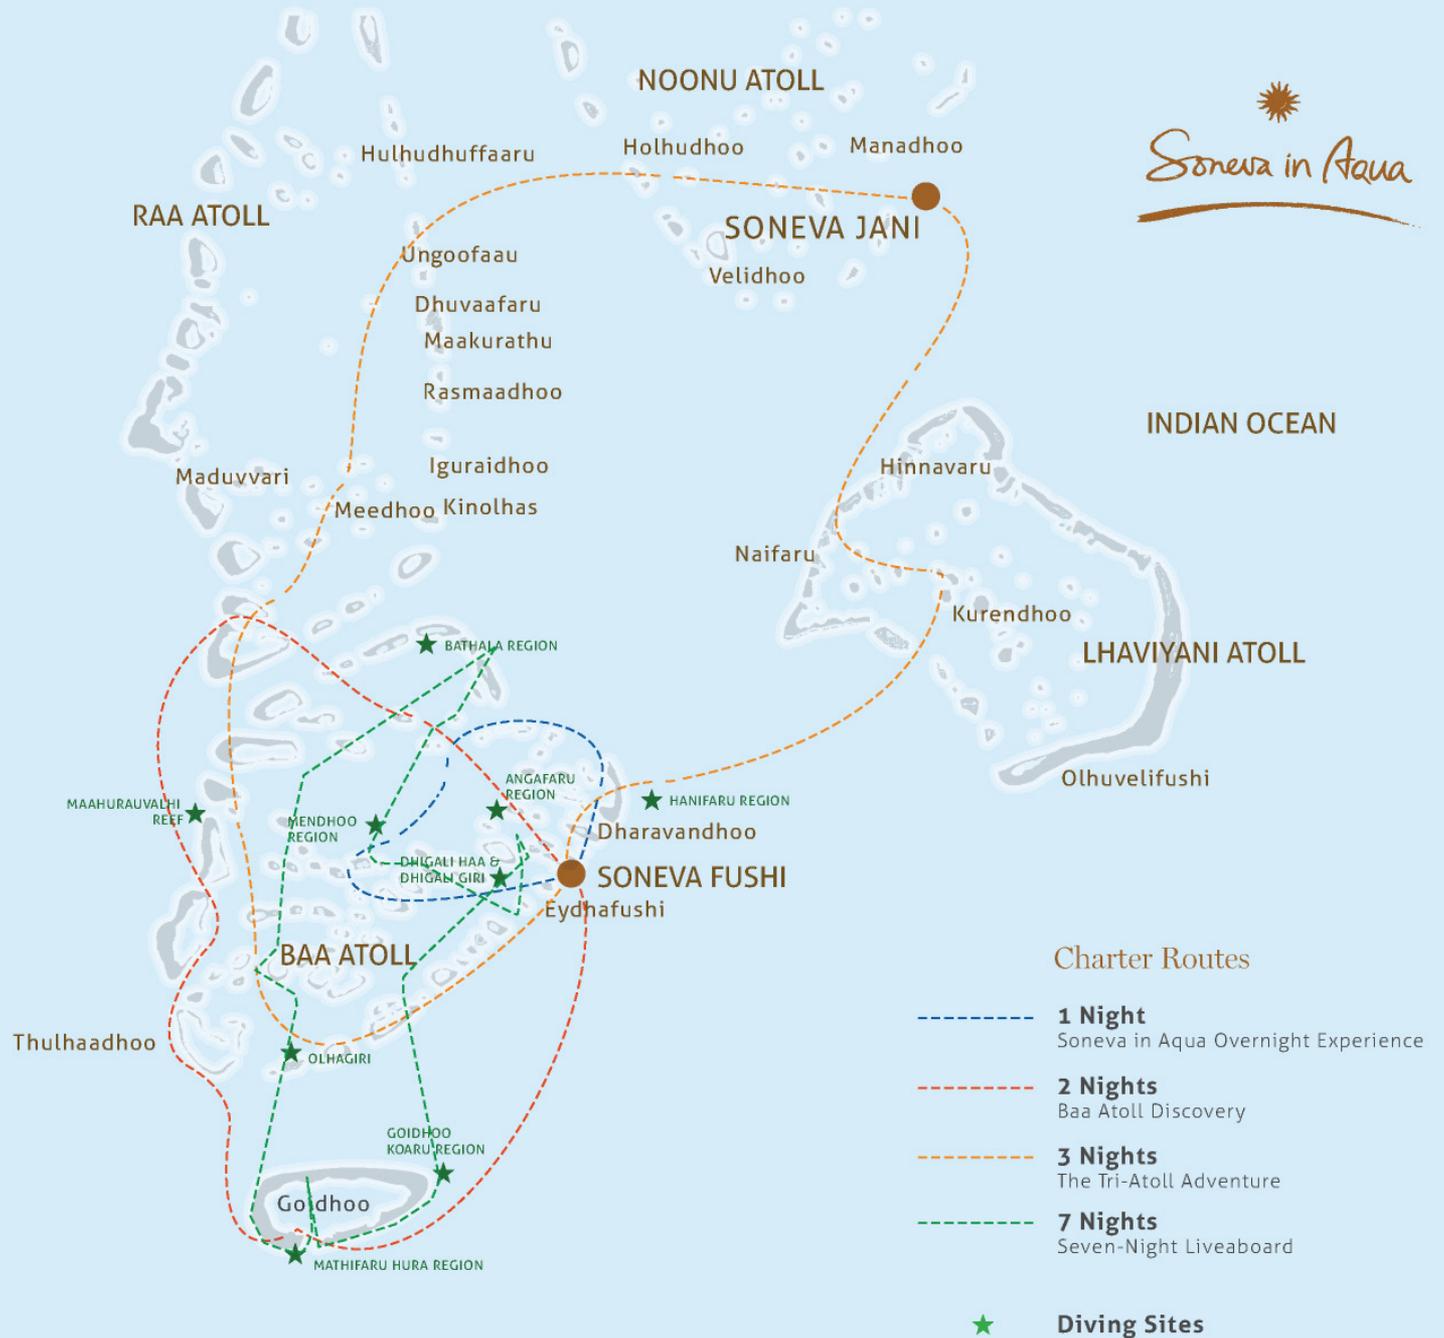

Soneva in Aqua is moored only metres away from Soneva Fushi, the original desert island hideaway nestled in the turquoise waters of the Baa Atoll, UNESCO Biosphere Reserve.

The only resort on a private island blessed with an interior that is rich with vibrant vegetation, our villas are scattered along white beaches nestled against lush greenery that offers guests the ultimate privacy in which to relax as time melts away...

Every visit creates moments that stay forever. Watching movies under the stars; watching the sun rise from your own private sandbank in the middle of the Indian ocean; counting Saturn's rings with our astronomers; inhaling the tantalising aroma in our chocolate room filled with delicious handmade chocolates or sampling exquisite wines barefoot on the sand.

Soneva in Aqua offers guests the luxury to choose from various charter routes that sail around and beyond the Baa Atoll. Guests can choose between one-, two- and three-night excursions depending on how much of the awe-inspiring sights of the Maldivian Atolls they wish to explore. Longer itineraries are also available on request.

One Day Experience

A diver is seen from behind, swimming horizontally in clear, deep blue water. The diver is wearing a dark wetsuit and blue fins. To the left of the diver, a large, dense school of silver fish is swimming in the same direction. The water is very clear, and the sun is visible in the upper right corner, creating a bright, shimmering effect on the surface. The overall scene is peaceful and highlights the beauty of underwater life.

Set sail from Soneva Fushi or Soneva Jani for an unforgettable day-long voyage on Soneva in Aqua, our luxury yacht in the Maldives. After breakfast on shore, your captain and crew will welcome you aboard, and plot a course for the best snorkelling spots in the atoll. Look out for turtles, dolphins and possibly even manta rays, depending on the season.

Overnight Experience

A woman with long dark hair, wearing a gold mesh dress, stands on the deck of a white boat, looking out at a group of dolphins swimming in the ocean. The scene is set at sunset, with the sun low on the horizon, casting a golden glow over the water. A man in a white polo shirt and shorts stands on the left side of the boat, also looking out at the dolphins. The dolphins are visible as dark shapes with white dorsal fins breaking the surface of the water.

Depart Soneva Fushi after breakfast and enjoy a leisurely sail to some of the incredible snorkelling and diving areas within the Baa Atoll, the only UNESCO Biosphere Reserve in the Maldives. After lunch, snorkel at leisure in the Coral Garden and enjoy a four-course dinner onboard Soneva in Aqua.

Retreat for the evening to the indoor spa tub with the glass-bottomed floor for a different view of the breathtaking marine life. Return in the morning to Soneva Fushi after a session of sunrise yoga on the top deck and a light breakfast.

A white motorboat is shown from a side-on perspective, moving across a blue ocean under a bright blue sky with scattered white clouds.
